

Spritely Sustainable CIC

ABOUT

Spritely are a pioneering collective, offering unique memberships where schools and families benefit from engaging outdoor activities, zero-waste shop and online learning platform.

Spritely's mission is to bridge the knowledge-action gap for a green economy, making sustainable living affordable, achievable and enjoyable.

WHAT THEY ARE DOING

Spritely vehicles are 100% electric, powered by renewable energy from their solar panels. Their next goal is to source a plot of land to set up a small solar and wind farm to power their expanding vehicle fleet, and to build their Head Office as a zero emissions, off grid premises.

All Spritely's workshop materials are sourced from local waste and scrap stores, helping to reduce, reuse and recycle and support a circular economy.
